

Springboard School

Where learning happens effortlessly

**HI,
I AM ALEX.
I AM YOUR PAL!**

I'm overjoyed that your child has taken a significant stride forward in learning and education. I can't wait to show you Springboard School, where learning is fun and effortless too.

So come and explore the World of Springboard with your youngster and see what makes US every parents' favorite school.

**“A SCHOOL IS LIKE THE
BEGINNING OF ALL THINGS –
WONDER, HOPE, A DREAM
OF ALL POSSIBILITIES.”**

Primary School is your child's first step away from you as a parent. In order to make teaching more enjoyable, we establish a safe & caring environment with creative activities and engaging technologies.

Because of our educational philosophy, your child's educational needs will be satisfied in an environment that emphasises hands-on activities. When it comes to the formative years of a child "Springboard their – Second Home" provides a safe haven with a strong emphasis on active parental involvement.

ABOUT OUR FOUNDER:

With over 35 years of teaching experience, Mrs Urmila Nair is a devoted educator. She is a keen researcher who strives to combine both traditional methods and current technologies. Her latest teaching methods include using audio visuals to teach phonics and computer-based games to reinforce complex topics and make education more interesting for children. Storytelling, theatre, and activity-based education are all part of the teaching learning experience at Springboard. Her specialty is critical thinking and language development. As a teacher, Mrs. Nair enjoys seeing both teachers and students grow to their full potential and flourish.

'Springboard School' is inspired from our 'Child First' ideology, where the innocent and beautiful mind of a child is the origin of everything we do. The focus is to craft independent and confident learners that strive to reach their optimum potential effortlessly. The activities, in the early year, are designed to nurture your child from the inside, keeping them joyous and creative. With our curriculum, your child gets to explore the world around with the help of Innovative learning methods, which creates an environment that aids development in the early years.
